***Sick and tired of maintaining your deck every year?***

***Fed up with mould and mildew making  
your deck slippery in winter?***

***Frustrated with nails popping up and splits and  
splinters in your boards in the summer time?***

***HAS THE  
SOLUTION  
TO YOUR  
PROBLEMS!***

**Composite decking is maintenance free and it's **never** looked so good!**

- Non scratch /non stain /non slip /non fade
- Resistant to mould and mildew build up in winter
- Concealed fixings for a clean sleek finish
- Product warranty's between 15-50 years depending on board manufacturers and ranges
- Long term composite is more cost effective than timber
- Beautiful, realistic timber effect boards
- Decking Sydney are accredited installers of a comprehensive range of boards to suit all budgets
- Suitable for all environments and locations including around pools and coastal locations
- Some composites are suitable for use in bushfire zones up to BAL29

***We are accredited, recommended installers of the following brands***

# WHY CHOOSE DECKING SYDNEY?

## 9 POINT CHECK LIST

Exclusively Decking Sydney		Other Decking Companies	
30 years of continuous decking experience building decks and pergolas	✓	Some experience in decking amongst other aspects of carpentry work	?
Over 3,000 decks built in Sydney in the last 10 years alone. Extensive first hand experience with all brands	✓	Less experienced in all types of decking products, composites and hardwoods lacking in product knowledge	?
Over 100 verified genuine 5 star reviews on Google and Facebook	✓	Not many reviews or reviews without photos or comments and feedback so potentially not genuine reviews	?
Operating from our showroom in Alexandria. Full time uniformed employees driving sign written Decking Sydney vans	✓	Maybe using subcontractors to do the job on a fixed price labour rate, who will want to complete a job as fast as possible	?
One point of contact Dedicated project manager to ensure a stress free experience from start to finish.	✓	Dealing with different office staff or carpenters onsite each day, having different points of contact	?
Fully accredited installers of Millboard, Trex, TimberTech, EvaLast, Ekodeck + Stratco trained by the manufacturers themselves	✓	Some experience of installing "composite decking" but not trained and accredited by the manufacturers themselves	?
Highly detailed fixed price quotes with clear payment schedules and no hidden extras	✓	Quotes lacking in precise details/ambiguous specifications open to interpretation, payment terms unclear and not fixed	?
10 years structural labour warranty on all our new deck frames	✓	6 years standard minimum NSW statutory warranty on deck frames	?
Specialising in building decks, pergolas, balustrades and pool fences day in day out, year after year	✓	Some experience building decks for a few years but not providing all services such as pool fencing	?

*"The bitterness of poor quality remains long after the sweetness of low prices are forgotten."*  
- Benjamin Franklin
